

## MAKE THE SWITCH TO HIGHER QUALITY

Cone Drive has been designing and manufacturing high quality gearing since 1925. For almost 100 years, we have been engineering solutions, tackling challenging applications, and exceeding the needs of our customers. We set the standard.

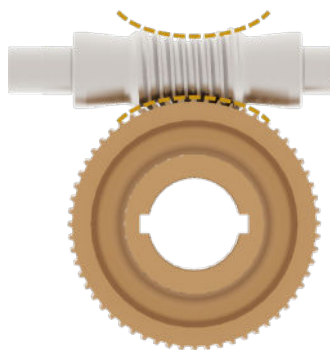

### COMPETITIVE INTERCHANGE PROGRAM

1. Bring Us the Manufacturer's Part/Model Number  
We have expertise across a wide range of gearbox styles
2. Upgrade to Cone Drive Double Enveloping Gearing  
We can reverse engineer our gearsets into most any application
3. Lock in Competitive Pricing Now and for the Future  
We pride ourselves on customer satisfaction

#### OTHERS

Total load is concentrated to only one or two teeth

#### CONE DRIVE

Total load is distributed to more teeth along a greater surface area

### THE DOUBLE ENVELOPING DIFFERENCE

- Service factor savings provide a cost effective solution
- Zero, low, or standard backlash available
- Wide range of exact ratios
- Industry leading warranty
